Programme committees define the work programmes

Call for Swedish Horizon 2020 strategy and advocacy platforms (from Vinnova/EU-Sam)

Purpose

- give input to future calls in H2020
- provide input on the conditions for Swedish participation in H2020
- stimulate the mobilisation and coordination between different actors with **common visions, goals and needs** in order to position Swedish areas of interest at the European level

Two most common misunderstandings ...

- a grant for writing EU proposals ...
 - No, the aim is to give input to the Work Programme
- a grant for creating the reference groups ...
 - No, the aim is to complement the work in the PC

Platforms selected in open call

Support to platforms:

- Support to **existing networks** in order to finance activities geared to positioning **Swedish areas of interest** at the European level and give input to future calls under Horizon 2020
- Duration 24 months, with possibility of extension
- Max 1 000 000 SEK
